## Snow will melt, banquet coming

Hello, fellow BCBC members and riders!

Our annual Spring Banquet will be on March 23, at Ozgood's in Robesonia. Save the date! More info will follow on Facebook and by email.

And, Happy Valentine's Day! The most expensive and over-rated celebrated day—in my opinion—but when I was younger, I fell for the traps, too. Older and maybe wiser: Can't fool me now.

As I peer out my office window the dread of snow appears. We were definitely spoiled the past two years without it, as we were able to keep on riding whenever we wanted to. Now we take that chance outside or hit the trainer, which is never fun but necessary to keep the legs in shape after all the hard work put in this past season.

Hopefully by the time you are reading

### The President's Spin

by Randy Gonzalez

this it should be mostly gone.

Memberships are due. Please make every effort to re-join and also try to recruit new members. It's only \$20 per household. Membership is key to the success of our club!

I am glad some members took advantage of the club store. A small sample size, but hopefully this will grow over time.

Remember, a new one will be opening in early spring with the current BCBC design. Stay tuned.

Lastly, about jerseys, I only had maybe seven requests for new ones with the current design. Please let me know if you want a jersey for the upcoming season. Orders will be placed in early March and will be shipped in April.

Please, members and riders, continue to enjoy your riding no matter what your route/bike preference is.

Be safe on your rides, and stay aware of your surroundings now that we are riding at night.

Until my next "Spin," Godspeed...

## BCBC needs your input on updating bylaws

The BCBC officers have begun discussion on updating the club bylaws in 2024. Alan F. and Félix P. are on the committee to provide recommendations to the board.

Why? The bylaws lack precision in some places. What constitutes a quorum? How do we replace board members when their term has not expired? On what years are elections held?

If this interests you, please review the bylaws, especially if you have experience in such matters. They are available in the August 2023 newsletter, pp. 9-10. Go to [www.berksbicycle.com/newsletter](http://www.berksbicycle.com/newsletter) to access the issue. It's under the archived issues.

Send your comments to [Alan](#) or [Félix](#). See page 2 for their contact info.

*See "A brief summary ..." on p. 6*

## Send in ride sheets!

- Gary R. needs to finalize the numbers for 2023. Ride hosts, please send in any ride sheets now.

## Need tubes/tires?

- Gary still has one tire and five tubes from last year's purchase. He's waiting to see whether there is still interest before ordering any for 2024. Let him know. Contact info: above.

## Search for jersey supplier continues

The club is changing its approach to purchasing cycling jerseys, so that one person does not wind up with a box of jerseys in the car, taking them to every ride in case somebody wants one.

Randy G., will be taking orders for

cycling jerseys, so far he has only a few, but let him know soon what you want. See contact info above.

The changes are still underway. We'll post news here, on the Facebook page, and perhaps by email.

## A reminder about BCBC contributions

As part of its mission, the Berks County Bicycle Club makes annual contributions of \$100 to each of the following organizations: Schuylkill River Greenways, League of American

Bicyclists, IMable, Rails to Trails.

In addition, a portion of the proceeds from last year's Shoo-Fly Classic was donated to Oley Township, to support recreational activities.

## Print version of newsletter to be discontinued

To reduced expenditures, the BCBC board has opted to discontinue the printed version of *Cycling Times* at the end of 2024.

A digital copy will still be distributed via email and available on the Web. A ride schedule will be distributed via mail.

## New Members

**Rob Hoyt**

## Invite a friend

**BCBC has plenty of room to grow. Wear your colors, invite other cyclists to join a group ride.**

## Please welcome new riders

Members, it's no secret that BCBC rides are a great experience—at least not to us.

But we need to make that obvious to new people so our club can grow.

Help make BCBC a welcoming place. One of our new members stated that she appreciated when people rode with her on her first rides.

That's what we need to attract and keep new people.

If you are hosting, ask, "Any new riders," then help find the appropriate group or persons to accompany the new rider.

If you're not the host, make a special effort to accompany new riders and to answer any questions or provide guidance as necessary.

You can make a difference!

## Re: Sign-ins, schedules

- **Did somebody show for a ride you hosted but was not on the sign-in sheet? Let our Member-ship Coordinator know: [katcasner@gmail.com](mailto:katcasner@gmail.com).**
- **If you volunteer to host a ride after the schedule is published, and you have time to do so, let Scott know so he can update the schedule with your name: [jsfranzen@comcast.net](mailto:jsfranzen@comcast.net).**

## Hiking option open

When it's just too chilly to ride, a hike may be just the thing to shake the winter blahs and get the blood circulating.

This season, as she has done in the past, Wendy D. will be organizing hikes from December to February.

The groups have enjoyed hikes through places such as French Creek, the Thun Trail, Blue Marsh, and Nolde Forest.

Hikes will take place on a Saturday or Sunday, and she will send out a notice on the Wednesday or Thursday before the excursion.

Interested? Do you have suggestions for places to hike? Would you like to lead a hike?

Wendy welcomes suggestions and comments. To contact her, send an email to: [Cyclerad@ptd.net](mailto:Cyclerad@ptd.net).

Yes, you may bring a friend.

# BERKS COUNTY BICYCLE CLUB RIDES

**First Number: Terrain Rating** Terrain rating 1-5 rates the total hilliness of the ride.

**1 = FLAT**—easiest

**2= GENTLY ROLLING HILLS**—moderate terrain with easiest of hills (Almost anyone can handle).

**3= SOME HILLS**—Moderate hills with some steeper grades (Moderately Challenging—but within the ability of most riders).

**4= HILLY**—The number and difficulty of hills is quite substantial (Very Challenging).

**5= EXTREMELY HILLY**—Extreme Challenge—steep and long hills most of the ride. Requires a very high fitness level).

**Second Number: Total Mileage for ride**

Please note the Club policy on protective headgear: ALL Riders must wear

Snell/ANSI rated helmets. Ride Host/ Hostess will NOT give cue sheets to riders without helmets and that rider will not be considered an official participant of the Club ride.

Please have your bike in proper working order BEFORE the start of ride. Arrive 10-15 minutes before start time so that all rides leave on time. Bring a spare tube or patch kit, and at least one water bottle.

If weather conditions are questionable, the ride host may notify club members by posting a message on Facebook prior to the ride

or make a decision at the starting location based on road conditions and the weather forecast.

## SPECIAL RIDE DETAILS

Special rides during the months will be highlighted in color. If you are hosting a special ride, please contact Newsletter Editor Poncho (aka Félix) Peña or Ride Coordinator Randy Gonzales before the 15th of each month.

## Berks County Bicycle Club Meeting Minutes

January 8, 2024, via Zoom

**Attendees:** Randy Gonzalez, Linda Gross, Kathleen Casner, Scott Franzen, Alan Fineman, Jane Brown, Walt Hug, Félix Alfonso (Poncho) Pena

### Updates

President Randy reports "nothing new." The BCBC clothing store will be open again in spring with the BCBC club design (more information on this elsewhere).

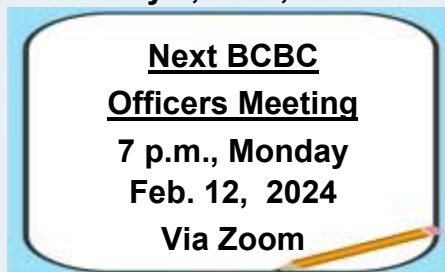

Vice President Linda had no updates.

Treasurer Alan provided the most recent financial report, including Shoo-Fly Classic financial report. The net income for the 2023 Shoo-Fly is \$1345.63. A donation will be made from this amount, to the township, to support recreational activities.. The club will be making annual donations of \$100.00 to Schuylkill River Greenways, League of American Bicyclist, IMABLE and Rails to Trails.

Membership Officer Kat reminded us that membership dues are due March 31. Membership runs April 1 through March 31.

Mileage Master Gary sent a report that states that he will tally end of the year mileage after he receives all sign-in sheets from ride hosts, he will also calculate ride hosts that will receive free membership.

Newsletter Coordinator Poncho reports that the newsletters are working out fine. We discussed discontinuing the print issue and providing ride schedule and highlights in printed form to bike shops, gyms, etc. It was decided to post this in newsletter and that the final printed

version will be the December 2024 issue, Vol. 51, No. 12.

Webmaster Scott reports the website is in good shape. Shoo-Fly Coordinator Scott discussed a contract from Oley Fire Company of \$350 for use of fairgrounds for the 2024 Shoo-Fly Classic, Sat. Sept. 28.

### Discussion and Planning Items

**Bylaws Review:** The Bylaws Review is in progress. Poncho submitted a document for review with some suggestion to update current By Laws.

Randy questioned the goal of this review. Officers discussed the need to update and clarify parts of the By-laws. Poncho suggested a committee be formed to update them. The full board of officers will vote on any amendments, and these must be submitted to the membership for approval, with the changes printed in the newsletter in time for the members to consider the changes. Several times over the past year the need to update current By-Laws has come up. For example, Walt requested we consider changing the title of "Advocacy & Trail Coordinator" this will be an item that the Bylaws Committee will

submit.

A ZOOM meeting specific to this discussion was scheduled for January 22. No changes will be implemented without a vote by the full board and the membership.

**Winter Party/Banquet:** Plans are underway for the 2024 winter party/banquet. Current plans include a March date, probably at Ozgood's in Robesonia. If members have other suggestions or would like to work on the planning for this event please contact one of the officers now.

**Ride Schedule for 2024:** BCBC will continue to offer short rides and long rides this season. We will also continue Matt's Adventure Rides and the Ramble Rides. We discussed hosting some "Special Fun Social Rides" this year, something we had done in the past. Examples include the Strawberry Festival Ride, Spring Thing Ride, and Christmas Lights Rides. If anyone would like to host or suggest a ride please let one of us know.

**BCBC Jerseys:** Randy will check current inventory. He would like to place an order, but he needs to know what is wanted (see more info elsewhere in newsletter). He anticipates ordering old and new design jerseys. Linda suggested this be set up as a direct order where members could go online and order themselves.

Meetings are scheduled for the second Monday of each month.

Next Meeting: February 12, 2024

*Respectfully submitted:*  
Jane Brown, Secretary

## A brief summary of bylaws update (continued from page 1)

Note: Our current bylaws, specifically Article XIII, dictate that any changes must be approved by the membership at a general meeting, and at least 10% of the membership must be present in order to vote on it. Also the notice of the changes must be published beforehand in the newsletter.

What are some of the changes being proposed for the bylaws?

1. Give standing committee chairpeople a vote on board decisions affecting their committee if they are not board members.

2. Change the status of most current standing committee chairpeople to official board officers.

3. Eliminate the Racing Division and change the Advocacy and Trail Liaison position to Media Liaison (The last is Walt H.'s idea. He is the current A&T Liaison.)

4. Change from Robert's Rules of Order to Modern Rules of Order, 5th edition. This is a widely used and preferred set of rules among non-profit groups.

5. Rewording needed in a number of places, for clarity's sake.

6. Specify that online meetings will be considered official and proper.

7. Will voting by email or phone be allowed? In what circumstances? Member input is welcome.

## Volunteers keep your club rolling!

BCBC depends on volunteers to plan and help out at our events.

Some give a lot, and we are very grateful for their time and their talent.

But we also need people who can put in less time or contribute less frequently.

If you can give us a few hours of your time, please do so.

We need your help to keep the club healthy and growing. Every little bit counts!

Let us know as soon as possible. Simply contact a club officer; their contact information is on page 2.
