To move forward, BCBC needs you

(Editor's Note: Randy graciously relinquished the space for "The President's Spin" so we could focus on the upcoming elections. He wishes everybody a joyous Holiday Season and a great New Year!)

With the election of officers coming up at the Spring Banquet, the Executive Committee wants to encourage members to step up and serve as volunteers, to lead the club and help it grow.

But what does it take?

The editor asked officers for input about their service. We hope their words will inspire you to come forward and help out, in whatever capacity you can.

Linda Gross, Vice President: I had the opportunity to support the president and work with the committee members in my past two terms. It was eye-opening to learn of all the efforts that go on behind the scenes, so much more than just looking up where the rides go and doing them, as I did for years as only a member. Someone has to pick the rides, someone has to post them online, someone has to maintain insurance for the club, schedule events, pick venues for banquets, compile and edit the news, maintain a membership list, etc.

It takes a village! I enjoyed the dis-

cussions, the debates, and the passion that committee members and volunteers brought to the table during the monthly meetings. I encourage the new V.P. to keep an open mind, bring new ideas, and be respectful to fellow members of the new and existing administration.

Jane Brown, Secretary: It has been an honor to be BCBC secretary for the past three years. I volunteered for this position, it was empty and our officers were scrambling to do the work while doing their own jobs. As a member for many years I felt it was time I did more for the club I have enjoyed, the club that is a huge part of my life.

As secretary I provided an agenda for each club meeting, using topics that members of the executive committee emailed to me. I would attend each meeting and take notes and help facilitate discussions if appropriate. After the meeting I would type up and reserve my notes (minutes); these will become permanent and live in the land of BCBC archives. I would provide a condensed version of these minutes for the newsletter.

It was interesting to spend time with the committees as we plan rides and other events for club. Please take a turn

(See "BCBC needs you," page 3)

Elected, coordinator positions opening up

Members, take note: Elections are coming up. The Executive Committee is accepting nominations for the four elected BCBC positions: president, vice president, treasurer, and secretary.

Paul DeLong has been nominated for president, and Alan Fineman, current treasurer, for treasurer.

You may self-nominate, but if you nominate somebody else, be sure that person is interested in serving.

The formal vote will be held at the Awards Banquet, to be held sometime during the spring, 2025. More details about deadlines for nominations and for voting will be emailed after the next club meeting, Dec. 9.

BCBC also needs volunteers to fill or help with four open coordinator positions, all of them essential to the club's activities.

For more information, see page 3.

Ride hosts: Read this!

- Please send in any ride sheets as soon as possible after hosting the ride.
- Gary needs all information completed: the date, ride number, mileage, and ride host name. Write/print legibly!

Newsletter now quarterly, digital-only pub

With this issue, the BCBC newsletter is a quarterly, digital-only publication, published each month that the season changes.

A digital copy will still be distributed via email and available on the Web.

If there is interest, a printed ride schedule will be mailed to bike shops and members lacking digital access.

As for the ride schedule, a digital,

two-month schedule will be sent out every month, via email.

These changes will save the club several hundred dollars a year in printing costs.

If you are currently on the USPS mailing list and wish to continue receiving a printed schedule by mail, please respond to the return address on the envelope.

Share an experience here, or sell bike stuff!

This newsletter serves the BCBC community. It is a place to inform others, to let them know about successes, problems, events, to praise those whom you feel deserve it, etc.—all cycling-related, of course.

It could be a significant cycling experience on a weekend tour, or a cycling vacation, or just on a regular ride, that you want to share.

We also publish, at no charge,

items about cycling goods for sale by members.

Please let the editor know about any of this by sending an email to the editor, Poncho: FelixAlfonsoPena@yahoo.com.

We also welcome cycling-related photos you took and want to share; just be sure they are high-resolution.

Reader input is welcome and keeps the publication relevant.

BCBC needs you *(continued from page 1)*

in this position, I will happily share "templates" I have developed for meeting agendas and newsletter articles. I am also available to attend meetings and help in any way to transition to a new executive committee.

Félix (Poncho) Peña, newsletter editor: As newsletter coordinator, I took satisfaction in keeping people informed about upcoming events and rides, as well as reporting, mostly with photos, on the Shoo-Fly and a couple of other happenings.

I also enjoyed getting together with the executive

committee to plan events and the direction for the club. It's fun to work with enthusiastic people and make things happen that benefit so many people.

The job requires good writing and editing skills, keeping a list of upcoming events and items to publish, planning ahead, reminding people about deadlines for information, and being familiar with a page layout program such as Microsoft Publisher. I have extensive instructions on using it, by the way, and will help out until the new editor is confident about handling it.

Berks County Bicycle Club Meeting Minutes

Nov. 11, 2024, Bella Italia, Oley

Attendees: Kathleen Casner, Scott Franzen, Alan Fineman, Linda Gross, Gary Rollman, Félix Peña, Jane Brown

Updates

President/Vice President:

Vice President Linda reported for Randy, asking opinion on the colors of the old jerseys that will be available to order. Everyone agreed that keeping the red, black and white would be best. Voted 7-0 to keep jersey the same.

Treasurer: Alan provided a detailed data report of expenses April-October 2024 with a comparison to October 2023. Current balance of accounts is \$9,691.96, and the balance is \$1098.22 less than October 2023. Alan will continue to provide a summary report each month.

Membership: Kat reports that she has been in touch with Pretzel City and they will continue to provide registration services for the club. BCBC currently has 183 individual club members.

Newsletter: Nothing new to report, Poncho reminded everyone December will be our first quarterly newsletter and we should plan accordingly.

Mileage Master: We currently are in need of ride hosts for certain locations: Adamstown, Maiden Creek Park, Wilson, Daniel Boone, North Temple, Wyomissing, Schulykill Valley, and Saucony Creek.

Webmaster: Scott has brought up the idea of the club purchasing a Ride With GPS club account.

Discussion & Planning Items

Newsletter Changes: The current and most accurate ride schedule will continue to be on the BCBC website. Last-minute changes to rides (usually due to weather) will be posted on Facebook. In addition, there will be a supplemental email sent each month to members to include an updated two-month ride schedule.

Rides and Ride Schedule: We are continuing the discussion on the current state of our ride schedule and the rides. Gary expressed concerns with too many rides being

offered on the same dates and that this lessens the number of riders at each ride. Gary and Scott also expressed concerns with the length of rides; they felt there were too many long rides. We currently have three long rides (two Ramble Rides and one Adventure Ride) planned each month during favorable months. We also discussed hosting an "intro to group riding"; more on this next month.

Gary provided data regarding number of participants doing long rides. Fifteen riders did one or two long rides. We do not have similar numbers regarding shorter rides.

There was a long discussion as to what type of rides are preferred and that may grow membership. Responses included: rides are too long, rides are too fast, and variety of current rides is fine.

Alan again suggested we consider hosting a series of "intro to group riding rides." We have several people volunteering to help with this.

Gary also would like to see "stay together rides" and will provide more information regarding this.

The Executive Committee asks that members provide feedback as to what type ride they prefer, the distances, the locations, the pace, the schedule. This helps with plan-

ning the ride schedule and rides to the preference of our members.

Elections reminder: It is time to nominate people for BCBC officer positions. The election will take place Spring 2025. All elected positions are open at every election. These positions include president, vice president, treasurer, and secretary. Currently, Paul DeLong has been nominated as president, and Alan Fineman as treasurer. Please let one of the current members of the Executive Committee know if you wish to nominate somebody.

We also need to fill positions on the Executive Committee. These positions currently include ride coordinator, membership coordinator, newsletter editor coordinator, Shoo-Fly coordinator, webmaster coordinator, and media liaison coordinator. Please let a current committee member know if you are willing and able to help your club!

Spring Banquet; Planning for the Spring Banquet has begun. Current target date is the weekend of March 28-30. Kathleen is contacting several locations. Help with the planning is always welcome!

Next Meeting: Monday December 9, 2024. All members are welcome! Topics: Elections, Rides and ride schedule, Spring Banquet.

*Respectfully submitted,
Jane Brown, secretary*

**Best wishes from the Executive Committee
to BCBC members and their families
for a happy and prosperous 2025!**

GOODBYE GRIND. HELLO ADVENTURE!

Volunteers keep BCBC rolling!

BCBC depends on volunteers to plan and help out at our events. Some give a lot, and we are very grateful for their time and their talent.

But we also need people who can put in less time or contribute less frequently.

If you can give us a few hours of your time, please do so.

We need your help to keep the club healthy and growing. Every little bit counts!

Let us know as soon as possible. Simply contact a club officer; their contact information is on page 2.

And spread the good word about BCBC!
