**Berks County Bicycle Club: August—September 2025**

[www.berksbicycle.com](http://www.berksbicycle.com)

**First Number: Terrain Rating** Terrain rating 1-5 rates the total hilliness of the ride.

**1 = FLAT—easiest**

**2= GENTLY ROLLING HILLS—moderate** terrain with easiest of hills (Almost anyone can handle).

**3= SOME HILLS—Moderate hills** with some steeper grades (Moderately Challenging—but within the ability of most riders).

**4= HILLY—The number and difficulty of hills is quite substantial** (Very Challenging).

**5= EXTREMELY HILLY—Extreme Challenge—steep and long hills most of the ride.** Requires a very high fitness level).

**Second Number: Total Mileage for ride**

Please note the Club policy on protective headgear: ALL riders must wear Snell/ANSI rated helmets. Ride Host/ Hostess will NOT give cue sheets to riders without helmets and that rider will not be considered an official participant of the Club ride.

Please have your bike in proper working order BEFORE the start of ride. Arrive 10-15 minutes before start time so that all rides leave on time. Bring a spare tube or patch kit, and at least one water bottle.

If weather conditions are questionable, the ride host may notify club members by post-

ing a message on [Facebook](#) prior to the ride or make a decision at the starting location based on road conditions and the forecast.

## SPECIAL RIDE DETAILS

Special rides during the months will be highlighted in color. If you are hosting a special ride, please contact Newsletter Editor Ky Kontostathis or Ride Coordinator Randy Gonzales before the 15th of each month.

## Berks County Bicycle Club Executive Committee Meeting Minutes 14 July 2025, Bella Italia, Oley PA

**Attendees:** Alan Fineman, Michele Wolfskill, Scott Franzen, Ky Kontostathis, Kat Casner and Jane Brown.

**Updates:** **President** Alan welcomed everyone and provided an agenda for tonight. This agenda included a discussion of his new BCBC goals, Shoofly update, and picnic and member behavior. **Vice President-** New Vice President Brian Kovatch was unable to attend. **Treasurer-** New Treasurer Michele Wolfskill participated in all discussions and provide new ideas! **Secretary-** Ann Rollman was not in attendance. **Membership-** Kat reported that she will be sending out a new sign in sheet very soon. **Newsletter-** New newsletter editor Ky was able to co-write the July update and ride schedule that was mailed to members. Ky was able to do this with Poncho who continues to help with the transition to our new leadership. **Media Liaison & Public Relations** Kellie was not in attendance, but has discussed ideas for promoting the Shoofly with Scott and they will talk again soon. **Mileage Master-** not in attendance **Webmaster-** Scott was doing double duty and attended the Oley Township meeting **Shoofly Coordinator** Scott

went to the Oley Township meeting and the Shoofly event was approved. Scott is working with Kat and others to contact sponsors and he is meeting with Kellie to coordinate promotion ideas for the Shoofly.

**Discussion: Club Goals** Alan led a discussion regarding the following goals for the club. **Increase Membership** **Social media** has been successful, Jane said posting pictures from rides has results in many "likes", comments and inquiries regarding rides. Alan would like BCBC to pursue **Beginner's rides**, this may include a series of rides, it was recommended beginner rides (and all rides) have a designate sweep rider. Jane thought we could designate a few rides already on the schedule as "beginner friendly" until the actual "Beginner's ride" is ready. We also discussed **Participation in community events** as a goal. **Improve club communication- Purchase App.** Brian and Michele had introduced this idea a few months ago, Alan will contact Brian to pursue this. **Schedule Non-cycling social events** **Explore changes to ride schedule.** Alan would like to consider pace designation to ride rating, we

discussed pros and cons of this. Allow trained ride hosts to add rides and provide ride host training. Hosts should be reporting any accident that occurs on a ride. Alan told us there is medical insurance to help with medical costs. Jane recommend we develop a simple form for hosts to complete when accidents occur. The BCBC Bylaws state that Installation of officers elect shall take place at the first executive committee meeting following the election. We did not have critical people in attendance to do this and will need to do this at the next meeting. The President (Alan) shall appoint AD HOC Committees & Coordinators. The committee coordinators also need to be appointed.

**Next Meeting**  
**Executive committee:**  
**7 p.m., Monday,**  
**11 August 2025**  
**Place TBD**
